

## Heartwarming Visit to Korok Home, Jalpaiguri.

Korok Home, Jalpaiguri is a Govt lead Juvenile home for children (boys under 18 years of age) who are in conflict with law and society. On Sunday, 28<sup>th</sup> April, 2024, students along with the professors from Mathematics Department of Ananda Chandra College visited the Korok Home at Racecourse Para, Jalpaiguri as a part of Extension/Outreach Program.

The purpose of the visit was to distribute copies and pens to the children, a simple gesture that held immense significance. Witnessing the excitement on their faces as they received these gifts was truly gratifying. It was a reminder of the power of education to transform lives and provide hope for a brighter future.

Spending time with the children was eye-opening. It was touching to see how they embraced life with such positivity and resilience, despite their circumstances. Their enthusiasm for learning and their gratefulness for the little things left a lasting impression on the students.

It was a humbling experience to be able to contribute in some way to their well-being and education. Students left the home with a renewed appreciation for the power of kindness and the importance of reaching out to those in need, even if it's just with something as simple as school supplies.
